

How did I grow my engineering brain today?

| <p>What went wrong? <i>Draw or write the problem.</i></p> | <p>How did I feel? What did I do? <i>You could show me your frustration on a scale of 1-5, write down what you did to rethink your strategy or draw what happened.</i></p> | <p>My solution! <i>Draw or write your solution!</i></p> |
