

# Designing and testing a beam bridge.

How will I keep my test fair?

---

---

---

---

---

---

---

What equipment will I use in my experiment?

---

---

---

Today I am testing:

---

---

I will test the strength using:

---

---

The things that will stay the same

are:

- ---
- ---
- ---
- ---

My Predictions

---

---

---

---

---

---

---

---

---

---

A diagram of my bridge
